Dear Tommy:

I received your Autograph while Stewart Cairns was with me and played it for both our edifications. He was really impressed. I should like to reply in kind, but since records are so scarce I think I'll hang onto this one for awhile and send you a letter instead. However, I still owe you a record and when I have a sufficiently long piece of intelligence to transmit I'll send it to you.

I am enclosing the project form proposal which you requested. Sorry I didn't send it back with my letter on the subject.

I have talked to Fred Rigby about J. J. Wolf. He is quite happy to see Wolf go out to SCAMP this summer and is contacting Ed Cannon on this subject. He hopes that you have also made known your wishes to Cannon on this topic. The only snag he can foresee is that the draft board might take exception to Wolf's going out to California for the summer.

I have asked Security to look into the loyalty clearances for Clifford and Dilworth. I shall inform you just as soon as they have anything to report.

With best regards, I am

Very cordially yours,
