Los Angeles, Calif.

Dear Mr. Aitken:

Your letter of 13 February was received, and the information you gave us was exactly what we wanted. Thank you very much, and I am sorry to have put you to this much trouble.

I hope to hear from Mr. Lambert when there is any further development of the situation in Mexico.

Again, thank you for the information, and kindest regards.

Very truly yours

James H. Frier, Jr.
Major, Signal Corps
