Headquarters, Army Service Forces
Washington 25, D. C.

Dear Major,

I today received your letter of January 27, and was glad to hear from you.

Mr. Lambert has returned from Mexico. The deal that we are working out in Mexico looks very good, and I am hopeful that very shortly it will be brought to a definite conclusion. Our people are presently in Mexico City for this purpose.

It may be that I am a little dense, or perhaps--and I desire to have it considered this way--I am not up on the Army vernacular. In any event, I do not know what kind of information you are asking for as listed in your letter. If you will be more explicit in what information you desire, I will be most happy to give you all that is available to us.

It was nice to hear from you, and I look forward to receiving a letter from you at an early date.

Very truly yours,

W. D. Aitken
