Colonel Gilbert C. Jacobus Deputy Commandant and Director of Instruction Command Management School Fort Belvoir, Virginia

Bear Gil:

I find that the Chief of our Training Division has been in touch with Colonel Kowalski for some time. We are requesting a quote for FY 1956, to consist of one space for each of the 3-week classes to be held during the 55-56 school year, and we have hope that our request will be granted.

Thanks again for your literature.

Sincerely.
