MEMORANDUM FOR: Executive Secretary, USCIB

SUBJECT : Indoctrination for Access to Category III COMINT

1. The following three members of the Task Force on Intelligence Activities ("Clark Committee"), under the Commission on Organization of the Executive Branch of the Government, will require access to communications intelligence (COMINT) on a "need-to-know" basis by 22 March 1955, in connection with the examination of CIA operations: Mr. Henry Kearns, Mr. Ernest F. Hallings and Dr. Donald S. Russell.

2. It is requested that USCIB members be asked to confirm the "need-to-know" of these individuals, in the event that necessary security procedures reveal no derogatory information which would preclude such action, in order that they may be indoctrinated for access to COMINT.

3. In view of the urgency of this matter, it is requested that decision of the USCIB members be obtained by the most expeditious means possible.
