Mr. Wm Friedman
Department of Defense
Armed Forces Security Agency
Washington 25, D. C.

Dear Mr. Friedman:

Just the other day I had the pleasure of knowing the Armed Forces Security Agency had tentatively accepted my application for employment, pending completion of my application which I did not fill out in full.

The above information came to me at a time most opportune — I had planned a vacation in California during the first three weeks in May but since hearing from the above have changed my plans and am now heading East — expect to be in Washington the first week in May and would like to take you up on your word and have a short visit with you. I know you are very busy and I won't take up much of your time — however — you will have to let me know where your office is.

Hoping to see you soon, I am

Sincerely yours,

Gabel M Murdock
