2 June 1954

~~CONFIDENTIAL~~MEMORANDUM FOR THE MEMBERS OF USCIB:

Subject: Clearance for Access to COMINT (Messrs. Hart Perry and Lyman Hamilton).

Reference: USCIB 13.7/15 dated 18 May 1954.

1. I have been informed by the CIA Member of the requirement for Agency officials to discuss COMINT activities, in connection with CIA budgetary matters, with the following individuals of the Bureau of the Budget:

Robert M. Macy, Chief, International Division
Hart Perry, International Division
Lyman Hamilton, International Division

While discussions will be general in nature, they will inevitably reveal certain details as to the nature and conduct of COMINT activities.

2. Mr. Macy is currently indoctrinated for COMINT--his "need to know" having been approved by USCIB on 6 June 1952 at the request of the Department of State Member. In addition, Mr. George Francis Schwarzwaldler, a special assistant to Mr. Macy, is also currently indoctrinated for COMINT--his "need to know" having been approved by USCIB on 12 November 1952, also at the request of the Department of State Member.

3. In an effort to maintain COMINT clearance lists at a practicable minimum, the CIA Member was asked whether Mr. Schwarzwaldler could be used by his Agency in lieu of Mr. Perry or Mr. Hamilton. The CIA Member advises that the organization of the International Division of the Bureau of the Budget does not lend itself to such action. The Department of State Member has been asked if Mr. Perry or Mr. Hamilton could be used by his activity allowing Mr. Schwarzwaldler to be removed from the cleared list and is studying that proposal.

4. It is therefore requested that USCIB determine the "need to know" of Messrs. Perry and Hamilton and that vote sheet replies be returned to this office by 15 June 1954.

5. Members wishing to discuss COMINT matters with the Bureau of the Budget should check first with the office of the Executive Secretary in order to determine the current clearance status of the individual to be contacted as he may already be indoctrinated.

6. In accordance with the reference, it is recommended that distribution and security control of COMINT imparted to the Bureau of the Budget be assigned in each individual case to the USCIB Member imparting such information.

7. THIS DOCUMENT CONTAINS COMMUNICATIONS INTELLIGENCE INFORMATION AND SHALL BE HANDLED ONLY IN CHANNELS EXPRESSLY PROVIDED FOR COMINT.
