Dear Dr. Campaigne:

This is a somewhat belated letter to thank you for the material that you were so kind to send me. I need not tell you that it is very interesting and that I am very glad to have it.

As you see, I am at this moment at Los Alamos. I expect to return to the East about the end of July, and I will get in touch with you with little delay.

I see from a letter I got from Mr. Wylie (Director, Budget and Finance Division, Office of the Secretary of Defense) that the next meeting of SCAG has been called for July 10. Since I will have to be here for most of July, I will not be able to come, which I regret greatly.

As I mentioned above, I will do my best to see you again as soon as possible after my return. Please tell this to Captain Winger, too, with regrets and apologies.

With best regards, I am

Very sincerely yours,

John von Neumann
