SUBJECT: Letter of Appreciation

2 SEP 1953

TO: Director  
National Security Agency  
Washington 25, D. C.

1. We wish to express our most sincere appreciation for the services of Mr. William F. Friedman who gave a three-hour presentation to the students of the Communications-Electronics Staff Officer Course on 26 August 1953.

2. Mr. Friedman's talk was outstanding and we feel that his appearance before our students represents one of the highlights of the course. The appearance of such a top ranking expert does much to enlighten the student officer and to convince him of the importance of Communications Intelligence. We are, therefore, especially desirous that Mr. Friedman be permitted to continue his visits.
