~~TOP SECRET~~MEMORANDUM FOR THE MEMBERS OF USCIB:

Subject: Release of Information to DSB Australia.

References: (a) USCIB 10./15 dated 16 July 1954.
(b) USCIB 10/29 dated 4 June 1952.
(c) USCIB 10/32 dated 18 July 1952
(Item 2, Minutes, 78th USCIB).

1. The Director, NSA has informed this office that any misgivings he might entertain with regard to the decision set forth in reference (a) would be dispelled if it were clearly understood that the quotation in paragraph 2 of reference (a) refers to the specific joint UK-Australian requirements set forth in Inclosure 2 to reference (b) and will not become a precedent to be automatically applied to future requests with the resultant danger of committing the National Security Agency in advance to technical collaboration with DSB not within the scope of existing arrangements. In this connection, attention is invited to paragraph 6 of Inclosure 2 to reference (b).

2. The Executive Secretary considers that this view of the Director, NSA is fully compatible with the intent of USCIB as is indicated in the discussion recorded in reference (c).

3. A copy of the reply furnished to SUKLO, Washington is enclosed herewith for the information of members.
