MEMORANDUM FOR THE EXECUTIVE SECRETARY, USCIB

SUBJECT: Release of Information to DSB (Australia)

1. Reference is made to CIB #000170, subject as above, dated 3 June 1954.

2. On the basis of conversations between representatives of SUKLO, Washington, and this Agency, it has been determined that the request contained in MOP.4005, of 28 May 1954, was made in connection

[REDACTED]

recipients. The current USCIB policy for handling requests made in this connection is indicated in paragraph 3b of Enclosure 3 with USCIB: 10/33 of 18 August 1952.

3. The [REDACTED] materials requested in MOP.4005 probably are closely related to the [REDACTED] problem, and release of the materials would seem to be within the spirit of the current USCIB policy. While such a close relationship may exist, these materials are not considered to be related directly to the [REDACTED] problem, and their release would not be strictly in accordance with the wording of the current USCIB policy. It is requested, therefore, that the request contained in MOP.4005 be submitted to USCIBEC for vote sheet approval.
