MEMORANDUM FOR THE MEMBERS OF USCIB:

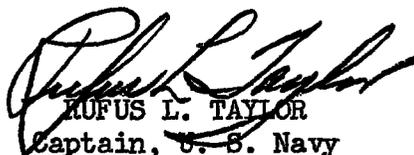

Subject: Exception to the Provisions of USCIB Directive #15.

1. The enclosed memorandum from the Air Force member requests notation to Appendix A of subject directive to provide that authority be vested in Division Commanders of the Continental Air Defense Command to determine the existence of emergency conditions justifying exceptional handling of individual items of Category III and II COMINT.

2. Accordingly, it is suggested that the following amendments be made to the existing Appendix A of subject directive:

| <u>Topic Heading</u> | <u>Amendment</u> |
|------------------------------------|---|
| A. Category III COMINT | Change to read: "For these purposes the 5th Independent Air Division, the 7th Independent Air Division, and Divisions of the Continental Air Defense Command are considered as numbered Air Forces." |
| B. Category II COMINT, paragraph 2 | Change to read as above. |

3. Members are requested to execute the attached vote sheet and return it to this office by the close of business Friday, 29 April 1955. If all members approve, this office will issue a new Appendix A, properly dated, to replace the existing one.
