REMARKS			
<p>The comment by Mr. Rowlett was read to Mr. Staffer and then forwarded by the attached memo.</p> <p>Mr. Stauffer said that in addition, such a position of secrecy might affect the patent rights of the U.S. WITH regard to the M-209. He said that he would wait for Mr. Clark's opinion, and that if all were agreed against Mr. Rowlett's comment, perhaps all would vote against his opinion. Mr. Stauffer said that he would discuss it with you and keep you informed.</p>

Office Memorandum • UNITED STATES GOVERNMENT

TO : AFSA-03A5 Mr. Stauffer

FROM : AFSA-00T (Capt. Lane)

SUBJECT Reply from AFSA-02 re SN 188,546: Hagelin

DATE 20 November 1951

PL 86-36/50 USC 3605
EO 3.3(h)(2)

1. Before Mr. Friedman left he received from Mr. Rowlett of AFSA-02 the following comment concerning the application for Patent SN 188,546, Hagelin:

2. Mr. Friedman asked that this be brought to your attention with the comments that (1) since the patents have already been filed in several foreign countries, the sensibility of placing them in secrecy here is questionable; and (2) the United States is apt to lose a very good friend in Mr. Hagelin unless the secrecy patent ~~is~~ is lifted.

3. As indicated to you by telephone conversation, Mr. Friedman will appreciate your views on the above comment by Mr. Rowlett.

Mary C. Lane
