

Mr. Friedman:

Reason for this blank. The draft says James pp. 69-70.
Since this appears on page 53, I thought you may have reference
to other pages.

A handwritten signature in cursive script, appearing to read "L. C. E.", is written in the lower right portion of the document.

Mr. Friedman:

After the fourth paragraph on this page, ending, "groundless" -- your draft says: "Now go back to F-M brochure, p. 17 to end of 2nd para.

I quoted these paragraphs at the bottom of page 51 and top of page 52, so did not repeat it.
