SCHEDULE

ARTICLE I - SCOPE OF WORK

a. The Contractor, as an independent contractor, shall furnish all services and supplies, perform the necessary research, compile pertinent data and shall do all other things necessary to complete the requirements of Purchase Description OOF3 dated 8 August 1955.

b. The Contractor shall complete the following projects called for in the Purchase Description.

- (1) Project 1: Prepare a card catalogue of the books, papers, articles, pamphlets and documents comprising the cryptologic collection of the Contractor.
- (2) Project 2: Prepare a manuscript of an historical and analytical bibliography based on the card catalogue prepared as Project 1.
- (3) Project 3: Prepare a special cryptological report as required by the Purchase Description OOF3.

c. All work shall conform to the standards established in the Purchase Description.

d. Reports. The Contractor shall furnish six (6) bimonthly Progress Reports outlining progress of the work. These reports shall be submitted within ten (10) days following the period being reported in accordance with paragraph 1.3 of Purchase Description OOF3.

ARTICLE II - DELIVERY

7

The Contractor shall deliver, not later than 31 July 1956, the completed work required herein to the Director, National Security Agency; however, the Government may at its discretion extend the date of delivery for good cause shown. Reports required by Article I d. above will be delivered to the Deputy Chief of Staff for Operations, NSA, Washington 25, D. C.

ARTICLE III - INSPECTION AND APPROVAL

At least thirty (30) days prior to the date set for delivery in Article II, the Contractor shall submit to the Contracting Officer, or his duly authorized representative, the completed manuscript or other work called for in Article I for approval and inspection as to its compliance with the standards set forth in the Purchase Description. If the work, in the opinion of the Contracting Officer or his duly authorized representative, meets the required standards and is otherwise satisfactory as to coverage and content, it shall be approved. If the work, in the opinion of the Contracting Officer or his duly authorized representative, does not meet the required standards or is otherwise unsatisfactory as to coverage and content, the Contractor shall make such changes, corrections, additions or deletions as are necessary to meet the required standards and to produce satisfactory work.

ARTICLE IV - COPYRIGHT (ASPR 9-204)

(a) The Contractor agrees that all material forming the subject matter of this contract and first produced in the performance of this contract shall be the sole property of the Government, and may not be published or reporduced, in whole or in

part, or in any manner or form, other than by the Government or with its express consent. The Contractor further agrees that no right at common law or in equity shall be asserted and no claim to copyright by statute shall be established by the Contractor in any material first produced in the performance of this contract.

(b) The Contractor agrees to grant and does hereby grant to the Government a royalty-free, nonexclusive and irrevocable license (i) to publish, translate, reproduce, use and dispose of, in any manner, any and all copyrighted or copyrightable material not first produced or composed in the performance of this contract but which is incorporated in the material furnished under the contract; and (ii) to authorize others 30 to do.

(c) The Contractor agrees to indemnify and save and hold harmless the Government, its officers, agents and employees acting within the scope of their official duties against any liability, including costs and expenses, for (i) violation of proprietary rights, copyright or right of privacy, arising out of the reproduction, use or disposition of any copyrighted or copyrightable material furnished under this contract, or (ii) based upon any libelous or other unlawful matter contained in said material.
