

DEC 16 1947

The Honorable

The Commissioner of Patents

Dear Mr. Commissioner:

It is requested that the patent application relating to improvements in:

ELECTRICAL SYSTEM  
Serial Number 549,086  
Filed 11 August 1944  
By William F. Friedman

be placed under the provisions of Section 4894, Revised Statutes, as amended (35 United States Code 37). The title in and to this invention has been assigned to the United States by assignment papers executed on or about the date of 1 August 1944, by William F. Friedman.

It has been determined that the invention is important to the armament and defense of the United States, and it is, therefore, desired that the application be placed under said Section 4894, Revised Statutes, as amended, to avail the War Department of the three-year period in which to make response to the Patent Office as provided for by the statute mentioned hereinafore.

Sincerely yours,

(Signed) KENNETH C. ROYALL
