COMMENT No. 3

1. The inclosure has been discussed between SEC (Maj. Kramer) and the Assistant to the Special Assistant (Lt. McDonald).

2. In the light of Section I and paragraphs 1a. and 3f. of Section III of the inclosure, as well as action currently being initiated in regard to NSA consultants, it is recommended that paragraph 3d. of Section III be omitted from the proposed regulation.

3. Maj. Kramer concurs.
